# The Woman's Club of Minneapolis

**The Woman's Club is a community of people who reflect our times and come together to connect, learn and grow, and work to enhance the vitality and livability of the city in which our historic building is located.**

We are a 501(c)3 nonprofit organization which partners with other nonprofits, educational institutions, community groups, faith communities, and civic leaders to address immediate needs of individuals and families along with systemic issues facing the city of Minneapolis, prioritizing our Loring Park neighborhood.

The Woman's Club stewards and maintains our historic building, which is a community asset — a building known as much for what happens within its walls and throughout our neighborhood as for its design and architecture.

**Our Rooftop is open Thursday & Friday evenings from 5:00 – 9:00 pm**

**Outdoor dining on our loggia & indoor dining in our restaurant for lunch: Wednesdays & Fridays from 11:30 am – 1:30 pm**

The Woman's Club is the ideal venue for life celebrations such as weddings, memorial services, bat and bar mitzvahs, and birthday and anniversary parties, and business meetings, trainings, and retreats. We also have a ballroom and 640-seat theater available for rental.
